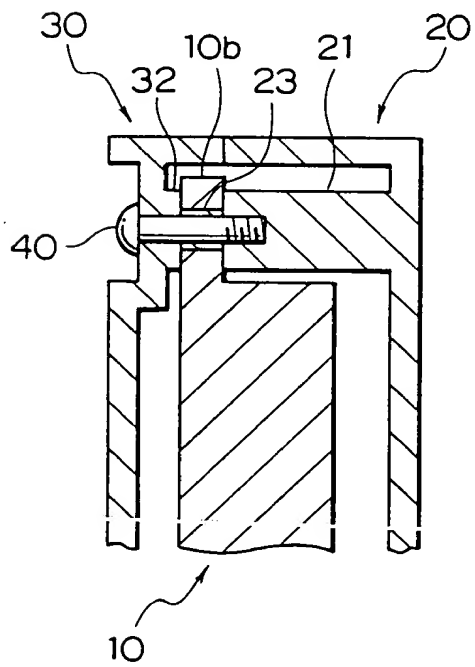

Figure	Figure Description
Figure 1	Flowchart of the study design and participant flow.
Figure 2	Bar chart showing the distribution of participants by age group.
Figure 3	Bar chart showing the distribution of participants by gender.
Figure 4	Bar chart showing the distribution of participants by education level.
Figure 5	Bar chart showing the distribution of participants by occupation.
Figure 6	Bar chart showing the distribution of participants by marital status.
Figure 7	Bar chart showing the distribution of participants by income level.
Figure 8	Bar chart showing the distribution of participants by health status.
Figure 9	Bar chart showing the distribution of participants by smoking status.
Figure 10	Bar chart showing the distribution of participants by alcohol consumption.
Figure 11	Bar chart showing the distribution of participants by exercise frequency.
Figure 12	Bar chart showing the distribution of participants by diet quality.
Figure 13	Bar chart showing the distribution of participants by stress level.
Figure 14	Bar chart showing the distribution of participants by sleep quality.
Figure 15	Bar chart showing the distribution of participants by mental health status.
Figure 16	Bar chart showing the distribution of participants by physical health status.
Figure 17	Bar chart showing the distribution of participants by overall health status.
Figure 18	Bar chart showing the distribution of participants by quality of life.
Figure 19	Bar chart showing the distribution of participants by life satisfaction.
Figure 20	Bar chart showing the distribution of participants by happiness.
Figure 21	Bar chart showing the distribution of participants by life expectancy.
Figure 22	Bar chart showing the distribution of participants by life expectancy.
